

**KHALSA COLLEGE OF EDUCATION, RANJIT AVENUE,
AMRITSAR**

**REPORT
ON
"FORMULATING LEARNING OBJECTIVES"**

Every new budding teacher needs to know how to formulate learning objectives while preparing lesson plans. The college ask them to formulate both **instructional** as well as **behavioural objectives** while preparing **40 composite lesson plans** and **10 micro lesson plans** during their internship program. During this activity teacher tries their best that every student procures most of the objectives and learn importance of professionalism in preparation of lesson plans.

REPORT

ON

"CONTENT MAPPING"

Understanding the need to polish the students before they join as intern in schools, college ensures that students get an **internship orientation** and acquire all skills required during internship. One such technique that students need to know is the technique of **content mapping**. Under this technique students are taught how to organize content, make **charts and flow charts** on the topic and create **Venn diagrams** to simplify a particular topic. These teachers under this technique train their students regarding how to teach in an instructional unit and improve their comprehension of new concepts. Students also get to know about the relationship that exists between various ideas and concepts.

REPORT

ON

"LESSON PLANNING/ INDIVIDUALIZED EDUCATION PLANS"

Every new budding teacher needs to know how to prepare lesson plans. In order to make the students up-to-date with lesson plan, the college ask them to prepare **40 composite lesson plans** and **10 micro lesson plans** during their internship program. During this activity teacher tries their best that every student procures most of the objectives and learn importance of professionalism in preparation of lesson plans. Students are also trained to get a pulse of such students who show **deviant behavior** and who are in need of extra care and attention. In this context, students are asked to sketch out a **case study plan** on any one such student during their course of internship.

REPORT

ON

"IDENTIFYING VARIED STUDENT ABILITIES"

The college offers lot of opportunities to their students for identifying varied student abilities. They are asked to visualize **differential learning activities** according to student needs. They are also trained to get a pulse of such students who show **deviant behavior** and who are in need of extra care and attention. In this context, students are asked to sketch out a **case study plan** on any one such student during their course of internship. They also prepare **diagnostic test** as well as **achievement test** to assess varied student abilities.

REPORT

ON

“DEALING WITH STUDENT DIVERSITY IN CLASSROOMS”

Understanding the **diversity of classroom** is a skill that every new teacher should understand. To make the students capable of dealing with the diversity in the classroom the institute uses a variety of teaching methods, resources and discussions. Institute also organizes **quizzes** on various themes based on culture, religion and different disabilities. Teachers encourage the students by introducing **adaptive technologies** and varied teaching strategies in classrooms. After these activities students are able to acquire the skills of using different teaching methodologies according to the learners need.

REPORT

ON

***“VISUALISING DIFFERENTIAL LEARNING ACTIVITIES ACCORDING TO
STUDENT NEEDS”***

To make students aware about the real life situations while dealing with diverse students, they are asked to visualize **differential learning activities** according to student needs. They are also trained to get a pulse of such students who show **deviant behavior** and who are in need of extra care and attention. In this context, students are asked to sketch out a **case study plan** on any one such student during their course of internship.

**REPORT
ON
"ADDRESSING INCLUSIVENESS"**

Community plays an important role in education of a child. To understand different aspects of community, the college organizes visits to different community service institutions like **Red Cross; orphanage; old age homes** etc. Also, a visit is made to **border area schools** to study situation of **girl child** education. These visits develop empathy among students and they get experience of using **local environment** in teaching learning process.

REPORT

ON

"ASSESSING STUDENT LEARNING"

Assessing students is one of the important parts of the teaching profession. To teach the budding teachers how to assess the **student's performance**, the college provide them **assignments** like the preparation of **cumulative record** card for CCE. They are also taught how to create a blueprint and prepare a **questionnaire** in light of **blueprint**. Teachers act as a facilitator and guide, they help students in preparing these records and develop the various skills that are required to prepare blueprint, **test items** and cumulative record cards.

REPORT

ON

MOBILIZING RELEVANT AND VARIED LEARNING RESOURCES

Bringing novelty in learning resources is of utmost importance for the faculty members. Teacher utilizes variety of **print and non-print media** to bring innovation in their teaching learning process. **Individual differences** are taken care of while choosing any learning resource. Faculty is well-versed the concept of **technology** and always tries to train their students to use **multiple modes** while learning. For instance, Power point presentations, You Tube videos, Models etc. are continually used in the classrooms which boost the **confidence** among teachers as well as of students.

REPORT

ON

“EXPOSURE TO COMMUNITY ENGAGEMENT”

Engagement with Community is very necessary in teacher training process. The college ensures its best to provide exposure to the students on various societal issues. The college makes its students aware about girl education, awareness regarding prevention of infectious diseases and conditions of underprivileged children. By planning and organizing community service campaigns with an active involvement of students, the college helps them to understand different social problems and different ways to fit in this society.

Instructional Aid

- A well equipped classroom, duster, chalk board, pointer.
- Flashcards to show the diagram of laboratory preparation of City Gas, Sodium acetate, gas line, beakers, test tube delivery tube, burner.

Formational Objectives

- To develop Manipulative skills and to enhance listening power of the student.
- To develop problem solving attitude among the students.
- To develop concentration power among students

Behavioural Objectives

- To enable students to handle the apparatus used in laboratory preparation of City Gas carefully.
- To enable the students to listen to the instructions given by teachers during formation of gas.
- To enable the students to discuss the laboratory preparation of gas.

Introduction

Water is truly important for life. It is everywhere: on all living things, the plants and animals. Every body use water in various ways. Water is a liquid. It can write with it, eat, drink, wash and so on.

Sources of Water

Most of the water comes from rain. Other sources are the sea, rivers, lakes, ponds and so on. It also flows below the ground through the soil. This is called groundwater.

How is Water Used

In cities, people get water from the water supply. In the countryside, people get water from the wells. In the mountains, people get water from the glaciers. In the desert, people get water from the underground water.

Blogging

Introduction - In short, a blog

is a type of website that focuses on written content also known as blog posts. In popular culture we most often hear about news blogs and celebrity blog sites but as you will see in this guide you can start successful blog on just about any topic.

Bloggers often write from a personal perspective that allows them to connect directly with their readers.

In addition most blogs also have a 'comments' section where readers can correspond with the blogger interacting with posts instead of their comments being what readers can correspond

How is Water Used

In nature, precipitation falls as rain or snow. Water from rivers or lakes is collected and used. It is cleaned or treated and then used for drinking, washing, and other purposes. The water is then used for other purposes, such as for drinking and washing.

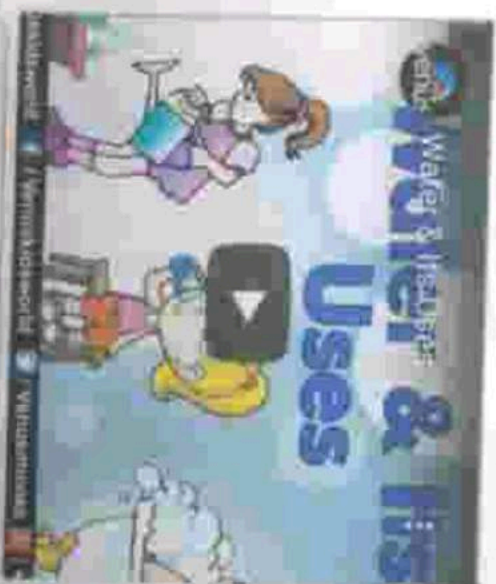

Preview

Water is also used for other purposes, such as for drinking and washing.

Now that you've got a name pick out
it's time to get your blog online. This
might sound hard at first but the
steps below will walk you right through
and make the process easy.

- To get your blog up and running
you need two things - blog hosting and
blogging software. A blog hosting is a
company that stores all of the files
3. Customise your blog - choose a free
template and tweak it.
4. Write and publish your first post - The
important one.
5. Promote your blog - Get more people to
read your blog.
6. Make money blogging - choose from
several options to
monetise your blog.

Let's Start Your Blog -

Step 1. The first step is finding a
good blog name and choosing your topic.
If you are not sure about a blog about

VISIT TO PINGALWARA

DATE _____

Pingalwara was founded initially in year 1924 by Rangi Das in 19 years old into late teenage period as a child at Buxar Singh.

Pingalwara is a highly organized on the order of Pingalwara Charitable Society under the act in 1992, it is headed by Dr. Sridhyat Kaur who is a physician by training and also runs a private maternity clinic in Sonawari, Buxar.

Brief History about Pingalwara:-

Pingalwara also serves a free drug dispensary, a blood bank, a shelter for intellectually disabled children and a free primary school in a slum area in downtown city. An analbuminaemia and a brain swelling seem to be available for the cure of alcohol urine.

Dr. Sridhyat Kaur conducts the sample in two of drug and drug children. These are deep blue and turquoise drugs.

A great achievement as it helped in bringing a new kind of hope.

in the hands of these children who were crying
from distress from their death. This
compassion was done by Pimpalwara with
the help of donations.

DEAF SCHOOL

The Pimpalwara group is a school
for deaf children. It is equipped
with a sensory room where in the
absence of such children are developed
with the help of light, sound, col-
our and a full sensory impression with
the facility provided in Pimpalwara.

I give my life
like Sudhane
Else, I am not like them

CENTER

BLOOD-2

CHILDREN

WORLD

We also visited the children's world where we saw many children around us. We saw many children who were not able to think, even though they were there. Some could not sit properly. We provided many extra like chocolate, tea, juice, etc. to them and their reason of that department helped the children to sit that alone.

OLD AGE HOME

Social work is not done for financial gain or home. It is for self satisfaction. One should believe in life and should be lived for others and for really. Social work means giving a helping hand to the needy and poor. We will tell you my experience. When I went to old age home at Marolli, I have not taken much, I have not got the opportunity to

share my love and feeling with them who were
neglected by children. I succeeded
a lot of love and releasing in return.

I am incapable of continuing jealousy,
and yet I do not accept family
I want this adventure that is
the contrast of my life to go on
without end.

This is going to remain in a perfect preservation for
me. I also got a chance to know different things.
It is unbelievable how a son could treat his mo-
ther and keep her hungry. From this, I learned
that but before me can be when there is no
one around to look after us. I have
blue beautiful eyes and wrinkled face. I see
old are my own grand parents in form.
Like one me made in acid. I felt very
helpless those twisted dream on my stroke.
Talking to those old people I found a sat-
isfaction in my behaviour. I also learned
different values and aspects of life
after helping them.

Though this visit brought me pretty good lessons and survived a lot of time from the old women and men. So I look forward in meeting old people and helping them. After this trip I think most children are the ones who love good care of their parents.

After visiting the old age home my love for my parents became more than before. I came to understand the value of love and helpful towards elderly people.

So, this is the most important visit of my life which taught me many no. of good lesson and aspects of life.

CLEANLINESS CAMP

Cleanliness is not meant to yelliness.

It is not even in the form of cleanliness
which has ever gotten a religious exposure
out of its meaning. It is not a dress from
the will of the human form.

It is rightly said cleanliness is next to godliness.

Cleanliness means keeping our body, mind and living
being secured in clean. This is good habit. It should

be cultivated from early life. Cleanliness

leads to the habitual act of keeping the dressing

environmental hygiene in a proper way. It is a

the state of living from cleanliness

may be used with a moral quality and may be

regarded as contributing to other sides.

such as, health and beauty. The concept of

cleanliness differs from purity which is

physical moral or ritual state of

freedom from pollutants.

AIMS:-

- To impress in a children by something through
- Plasmid in the use of good and bad
- Children can also know of some life from

ORIENTATION of the Lesson

Plasmid is subject to political act of keeping the diet away to maintain good health. To moderate such values in a Plasmid group was suggested by Khajur College English Department. I had seen both part in it. I have learned each and every corner of the college. Firstly we named the garden area and the outside of the ground floor. We did the during time. I personally it was overall a good activity to inculcate the habit of cleanliness in the students.

PLANTATION

It is a great opportunity to show
our commitment to the environment
by planting trees and plants.
Let's make a difference together!

Participation:

The plantation programme was
held in our school on 25-11-22 afternoon. The
students of my group actively participated in the
the "tree plantation". We were surrounded by
many trees when we sowing the
plants in our school.

We planted various types of plants like
mango, guava, and lemon flowers etc. Our
teacher had also explained about the
importance of the importance of
plantation. Green schools are the target
of the government and we have
to plant trees and have
good things for the environment and the community.

Topic: _____

Date: _____

Even if I know that
 tomorrow I will
 be dead
 I would still plant
 my apple tree.

The certificate to commend me by
 providing oxygen, improving air, climate
 condition, ensuring water, preserving soil and
 supporting mild life. It is a good deed and
 what we can do. They gave us a
 certificate for it. They gave us a
 certificate for it.

GOBINDGARH FORT

Khanna College of education send students for teaching practices in our group. Shambharam Bhatia, son of school master, may be appears. There we got a book to visit to gobindgarh fort which is located in the center of the city of Amritsar.

On date we started there at 10:30 am with our Amritsar local bus with Prof. Simranjit Bhatia. The fort is located at old road, Vijay chowk. Finally we buy tickets of 25 for all.

Gobindgarh fort is a historic fort which was earlier occupied by army but is now open to the public from 10 to 5. Today the fort is being developed as a museum, an a representative of Punjab history.

It was originally built by Sultan Singh Bhongir the local chieftain in the early 18th century. Gajendgaur was conquered by Maharaja Raghu Singh who renamed it after the 10th Sikh Guru, Guru Gobind Singh.

We saw the lot in made of leather and bone and is held out in a square.

Each of its rooms has a parapet and two doors.

Decorations:

The Jorabhan, which are used to decorate Kathiwar diamond and is a rare coin museum for all and have coins including surplus of richness as it was used in Maharaja.

The ground containing 3 double with beautiful houses have situated in an ancient landscape museum and today has several gardens of imitations and flowers of wonderful.

practice in Sri Guru Harbansoo Sansar School
Mayraa Begum, Amritsar. There we get a task
to visit to subject agriculture laboratories (Parsons)
which is located in company garden division.

We reached there at 11.30 am with
our supervisor Mrs Surinder Kaur. The Panet
room is located at the middle of the company
garden. Firstly we buy ticket of Rs 5
for all.

25/11/2022

Maharaja Rajgul Singh Farming
were formed in the memory of Maha

Raj Gul Singh and his magnificent monument
was transformed into museum including the
of which is very beautiful and very nice.

Firstly I saw a beautiful painting of
that is in the hall in which I saw
some giving directions to the visitors.

Some paintings which were representing the legends of Mahatma Gandhi Singh go in dates - 1940s.

A big painting of single was shown. At the same fighting with bravery with enemies.

We read the history behind of the each painting that was present even then.

After spending almost one hour and there we come back to the college with our supervisor. We had collect lot of information about farmans and about the life of Mahatma Gandhi Singh.

LITERACY CAMP

Once placed at a desk and
pen, how the heart of
every person, put into
stead in the past and
to be going through time.

In November we arranged a literary camp
with the help of our teachers and some people of
village. This camp was arranged in Gundurana
of Valha near to Verba.

In this camp many adults, youth
people in Gundurana and we try to help
them some basic and importance education
to them.

This may seem like a simple question to
answer - adults, living able to read &
write. Right? But impact education have
been spreading and acquiring our idea.

Topic _____

Date _____

at least hundred years. It can
compare adding and subtracting of several
but at add, subtract add divide
so you can balance your check book
and figure your oil, school mileage
and you know are obligation to
keep business journal and handle
use their library.

It was a great experience to
teach them. I'll never forget any
to tackle with adults.

Handy

INSTITUTE FOR BLIND

About

The Blind School was founded in 1923 in saved place - a mission initially with one child by keeping in mind the child's environment and necessity. It follows the under the registered society. Blind school was its own constitution as well as free of other taxes.

TEACHING STAFF

Blind School having

family of highly qualified teachers for the blind students.

STUDENTS

The students of the blind

school are given proper food for their proper growth and maturation.

WHICH TOPICS ARE TAUGHT

SAFETY

The blind student are not

only motivated for education but

also for developing special

vocational skills like sewing, knitting, modelling etc.

BEST LIFE TIME ACCOMMODATION :-

The school provides free boarding facility to Merit students. School has a large and airy hostel.

THE MEDIUM

The students learn Hindi, English, Sanskrit, Marathi, and English from a trained instructor.

BOYS' HOSTEL

The school has a boys' hostel in a 650 square feet hall. At present more than 500 boys are available in the library.

COMPUTER LAB

Computer education is also provided to the students. The students are suitably trained with the help of female teachers. Specially for the visually challenged.

Kindness is the language
which the deaf can best
understand.

For eyes, for ears, for hands,
making the whole world
a better place.

For every thing we have
a way, if only we
try hard enough.

We went from our college in Blind school
we took collection of Rs 500/- and took away
banners and many other things for students.

Special methods were used to teach them
Tape and game are available for
students like Marigold and

playing cards.
A lot of Blind children inspired to
not be all similar and give them that hope.

are not helpless. They have immense power if
supported properly. They can go far. The
school has a boarding and blind students

were taught to be self sufficient from
a very young age. That is why
which surprised her. them to gain

confidence in themselves.
BLOOM-2

VISIT TO GOVT SCHOOL

INTRODUCTION: Aashika Public School is located at...

Some interesting evidence on 1st March

1984. Mission from Jacques M... ..

Pedagogic resources, Embassy of France,

On the visit to the school on the same day

The school is the celebration of the 100th anniversary

of the school and acquisition of 100th cent.

Wages: The school is situated amidst of

lots and peaceful, pictures and most

attracting air of forest it is surrounded

on all sides by green gardens and

with the of different trees which

provide their fragrance all around

School - public school

**CONSTRUCTION, ADMINISTRATION
AND ANALYSIS OF ACHIEVEMENT TEST**

ACHIEVEMENT TEST

The achievement test is a test of developed skill or knowledge. The most common type of achievement test is a standardized test in measure skills and knowledge learned in a given grade level, usually through planned instruction, such as through or classroom instruction. It measures present proficiency, mastery and understanding of general and specific areas of knowledge.

According to Freeman "An achievement test is one designed to measure a student's grasp of some body of knowledge or his proficiency in certain skills."

According to Super, "An achievement test or proficiency test is used to ascertain what and how much has been learnt or how well a task can be performed."

According to Binuro "Any test that measures the attainments or accomplishments of an individual after period of training or learning is called achievement test. It helps to permits the student to next class."

QUESTION PAPER

Subject: Maths

Class: 7

Date: 4/11/2019

Max. marks: 7

Time: 30 mins

Instructions: (i) All questions are compulsory.

(ii) There are three sections (A, B and C).

Section A consist of 3 questions of 1 marks each.
Section B consist of 6 questions of 2 marks each.
Section C consist of 2 questions of 5 marks each.

Section - A (8x1 = 8 marks)

- 1) A triangle has only one median. (T/F)
2) Sum of all the interior angles in a triangle is 180° .
3) Add x to 2 times y . State the result.
4) Try (i) $x + 2y$ (ii) $2x + y$ (iv) $x + y^2$
5) From the given options, find the value of y .
6) (i) 8 (ii) 6 (iii) 16 (iv) 4
7) What is the value of 80° ?
8) (i) 1 (ii) 0 (iii) 8 (iv) None
9) What is the co-efficient of y in $2y^2 + 22y$?
10) State whether they are like or unlike terms.
11) Find $75^\circ \times 70^\circ$.

Section-B (6x3=12 marks)

9) Find x in the given diagram

10) Add $x^2 + 2xy$ and $3x^2 - y^2$

11) Simplify $\frac{3x^2 \times 7z^2}{7 \times 3x}$ and write the

answer in terms of powers

12) Which is greater $\frac{1}{4}^3$ or $3^{\frac{1}{4}}$? Explain

13) Subtract $6x^2y$ from $12x^2y$

14) What is the value of $(a^5)^2 \div a^3$

Section-C (5x2=10 marks)

15) A stair is built against a wall to reach

the window at a height of 4 metres

from the floor of the distance of the

foot of the stair from the wall

is 3 metres, find the length of the

stair

16) Construct a triangle ABC such that

AB = 3cm, AC = 7cm and $\angle A = 60^\circ$

Scoring key

Section-A

- 1) False
- 2) 180°
- 3) (ii)
- 4) (iii)
- 5) (i)
- 6) $\frac{\partial}{\partial x}$
- 7) like terms
- 8) $7^3 = 343$

Section-B

- a) $x + 60^\circ + 70^\circ = 180^\circ$ (\therefore Angle Sum Property)
 $\Rightarrow x + 130^\circ = 180^\circ$
 $\Rightarrow x = 180^\circ - 130^\circ = 50^\circ$

$$10) \frac{x^2 + 2xy - y^2}{3x^2} - \frac{4x^2 + 2xy - 4y^2}{9}$$

$$11) \frac{3^{10} \times 7^2}{7 \times 3^6} = \frac{3^{10-6} \times 7^{2-1}}{1} = 3^4 \times 7$$

$$12) \frac{4^3}{3^0} = \frac{4 \times 4 \times 4}{3 \times 3 \times 3 \times 3} = \frac{64}{81}$$

$$(13) 10x^2y - 6x^2y = (10-6)x^2y = 4x^2y$$

$$(14) 10a^2b \div a^3b = a^{10-3}b^{1-1} = a^7$$

Section-C

15) When a stair is held against a wall, a right angled triangle is formed.

According to Pythagoras Theorem,

$$(\text{length of stairs})^2 = 4^2 + 3^2$$

$$= 16 + 9 = 25$$

3m

$$\Rightarrow \text{Length of stairs} = 5 \text{ metres}$$

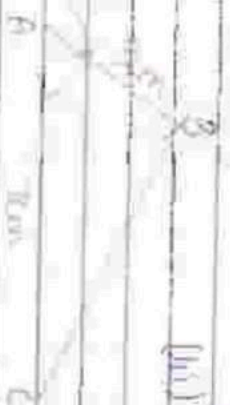

16)

Steps of Construction:

i) Draw $BA = 7 \text{ cm}$

ii) Draw $\angle BAC = 60^\circ$ with compass

iii) Let the arc so formed such that $AB = 3 \text{ cm}$

iv) Join BC

v) ABC is the

Required Triangle.

ADMINISTRATION OF ACHIEVEMENT TEST

After the construction of the test, it was conducted on 14th of November, 2019 and was administered in the following way:

(i) Time Schedule : The time limit of test was 80 mins. It was conducted by combining the last two periods of class 7. The time was so designed that Section A would take 15 mins, 24 mins for Section B, 25 mins for Section C and 16 mins for last 10 mins for the question paper and at the end for revision of answers.

(ii) The room, desks and equipment : The test was conducted in the classroom of 7th standard. 24 out of 31 students were present. There were 18 desks arranged in 3 columns. At the extreme columns, one student was seated at each desk. In the middle row, two students were seated at each desk. The question paper and answer sheet was provided. Each student had to write the answers using a blue pen, pencil and scale. Compass was required for construction work.

(iii) investigation: There were two invigilators to keep an eye on the students Mr. Amandeep Singh (Maths teacher) and 9.

ANALYSIS OF ACHIEVEMENT TEST RESULT RECORD

Sr No	Student's Name	Marks
1	Amanpreet Singh	28
2	Baljinder Singh	20
3	Dev Singh	17
4	Harpreet Singh	29
5	Harjot Kaur	27

19	Rohit Kumar	15

Sr No	Students Name	Marks
20.	Rahilooz	58
21.	Sandeep Kaur	Ab
22.	Shrishi	16
23.	Surandeep Kaur	18
24.	Jejeer Singh	Ab
25.	Vaishdeep Singh	25
26.	Vaibhav	29
27.	Vaishali	Ab

EVALUATION

Except three students, all the others out of 24 students who attempted the test scored above 40% of marks. Here, these three students fall under the category of 'Below Average', 8 students scored above 24 out of 30 which makes their percentage above 80% and hence they are the 'Above Average' students. The rest of the students with marks lying between the range of 40-24 or 44% - 80% are the 'Average' students.

**Preparation of Diagnostic
Test Followed by
Remedial Measures**

DIAGNOSTIC TEST

The term diagnosis has been borrowed from the medical profession. It means identification of disease by means of patient's symptoms. After careful analysis, he prescribes the medicines as remedial treatment.

Similarly, in the field of education, diagnosis has many such implications. Difficulties in learning occur frequently at all levels and among pupils of both high and low mental ability. In order to handle such cases, the teacher also uses similar technique like a doctor to diagnose the relative strengths and weaknesses of pupil in the specific area of study; analyse the cause for the same; and then provides remedial measures as per necessity.

Some features of diagnostic test:

- (i) It is more often limited to low ability students.
- (ii) It is corrective in nature.
- (iii) It is much more comprehensive.
- (iv) It focuses on individual's educational weakness or identifying gaps in pupils.

DIAGNOSTIC TEST

Topic: Posit Math: Operations

Date: 10/10/19

Class: V1

Total Marks: 20

General Instructions:

1. There are 20 multiple choice questions and all are compulsory.
2. Each question has four choices and you have to choose one.
3. Each question carries one mark.

POST-TEST

Identifying Students- that are Below Average:

A diagnostic test was conducted on 10/10/19 after the poor performance of students in mathematics grade 6 (31-March (Sept)).

91 bats found that 6 out of 22 students scored below average marks, i.e., below 8 out of 20.

Remedial Measures:

The following remedial measures were taken:

1. Developing Conceptual Base-
In this, children were made to understand by way of numerous concrete examples that addition and multiplication concepts involve combination and nature of answer is to increase whereas subtraction and division involves partitioning and nature of the answer is to decrease.

2. Instructional Techniques:

The complex tasks were divided into simple sub skills. The children were allowed to master these skills at their own pace. In order to keep up the motivation, 'Continuous Reinforcement' through star system was also made.

3. Teaching Fundamental Math:

Before introducing two digit addition,

addition of tens and hundreds was taught. The concept of subtraction was achieved through a attractive method of teaching in which children are required to manipulate colorful concrete objects and develop notion between addition and subtraction. The mastery of multiplication of tens, hundreds and thousands was taught. First Money and some pictorial representations were used to teach division.

These remedial measures were taken for one week, viz, 11/01/2019 - 18/01/2019

RE-TEST

After one week, a diagnostic test of some objective type questions of 20 marks in 30 min. period was taken for those students who were below average in previous test.

Result of Re-Test

Sr	Names	Marks	Sr	Names	Marks
1	Bunty	11	4	Krishan Singh	07
2	Agardeep Kaur	12	5	Kushdeep Kaur	11
3	Itiya	13	6	Sandeep Kaur	12

From the result, it was inferred that there was an improvement in the students with the help of remedial measures. This increased the overall performance of the whole classroom.

DOCUMENTS HIGHLIGHTING VISUALISING DIFFERENTIAL LEARNING
ACTIVITIES AND IDENTIFYING VARIED STUDENT ABILITIES

**Case Study of A Child
with Deviant Behaviour**

CASE-STUDY

Definition :

Case study refers to an analysis of persons, groups, events, decisions, periods, policies, institutions or other systems that are studied holistically by one or more methods.

A case study research can be single or multiple case studies, includes quantitative evidence, relies on multiple sources of evidence and benefits from the prior development of theoretical propositions.

Importance of Case Study -

- 1) Case studies help to improve the learning experiences.
- 2) Case studies require application of a broad range of skills.
- 3) Case studies describe the problem in detail and solves a problem in an effective way.
- 4) It helps the researchers in knowing what, how, when and why to do.
- 5) It eliminates chances of a potential bias by giving an opportunity to gain a greater understanding of the subject under investigation.

Steps Involved in Case Study:

A case study has the following six steps:

- 1) Determine the research questions and carefully define it.
- 2) Choose the case and state how data is to be gathered and which techniques for analysis are to be used.
- 3) Prepare to collect the data
- 4) Collect the data in the field
- 5) Analyse the data
- 6) Prepare your report

How to Present a Case Study?

To make the presentation of your case study effective, the following points have to be covered:

- 1) Define the objective.
- 2) Detailed description of the steps taken
- 3) Define how the challenges were overcome
- 4) Describe the results measured
- 5) Conclude

Case Study of a child with Deviant Behaviour

Introduction

Behaviour is seen as deviant when people are alarmed, angered, outraged or threatened by violation of what they consider right and proper. Generally, deviance is a violation of social rules which occurs when someone breaches a society's or groups widely held values and norms.

Objectives

1. To investigate the causes of deviant behaviour in a child.
2. To determine the experiences and effects of deviant behaviour in the child.

Data of the child

Name	: Anmol Singh
Age	: 13 years
Gender	: Male
Education	: Studies in class VII
Address	: Vill. Bol Khura, Amritsar
Educational Institution	: FMS, Bol Khura
Diagnosis	: Deviant Behaviour

Chief Complaints Regarding the Child

As observed:

1. Stuttered speech
2. Stammering
3. Extremely aggressive
4. Shabby clothing
5. Ignorance to hygiene
6. Easily irritated

Complaints from teachers:

1. Becomes angry at simple things.
2. Language is abusive
3. Blames others
4. Difficult to control
5. Uniform, notebooks etc are not taken care of

Complaints from peers:

1. Is always ready to fight
2. Try to injure others physically.
3. Annoys his seniors

History of Present Illness

The child use to stammer since the start, become aggressive since a few months.

Treatment History: Is presently under medication.

Pre Natal History : Everything was normal

History of illness in family : grandfather was mentally ill

Interview with The Child

Q What's your name?

A Arnav Singh

Q Which is the name of your best friend?

A I have no best friend.

Q Why is this so?

A I don't like anybody.

Q Which is your favourite subject?

A Social Science

Q Name the under-territories of India.

A None correctly

Q Do you like sports?

A Yes, very much.

Q Why did you beat up your classmate in

the field today?

A. He wasn't passing me the ball.

Q. Did you take your medications?

A. Yes, I did.

Q. How do you feel now?

A. I feel good.

Family Dynamics

1. Strict family
2. Large family size
3. No younger child in the family
4. Parental rejection
5. Working mother
6. Absent father

Challenges

When aggressive, the child is extremely out of control. He is unwilling to talk or share his feelings. It was difficult to make him sit for an interview. His language is slurred and hence difficult to understand. The more the questions were asked, the more iritated he became. His family was difficult

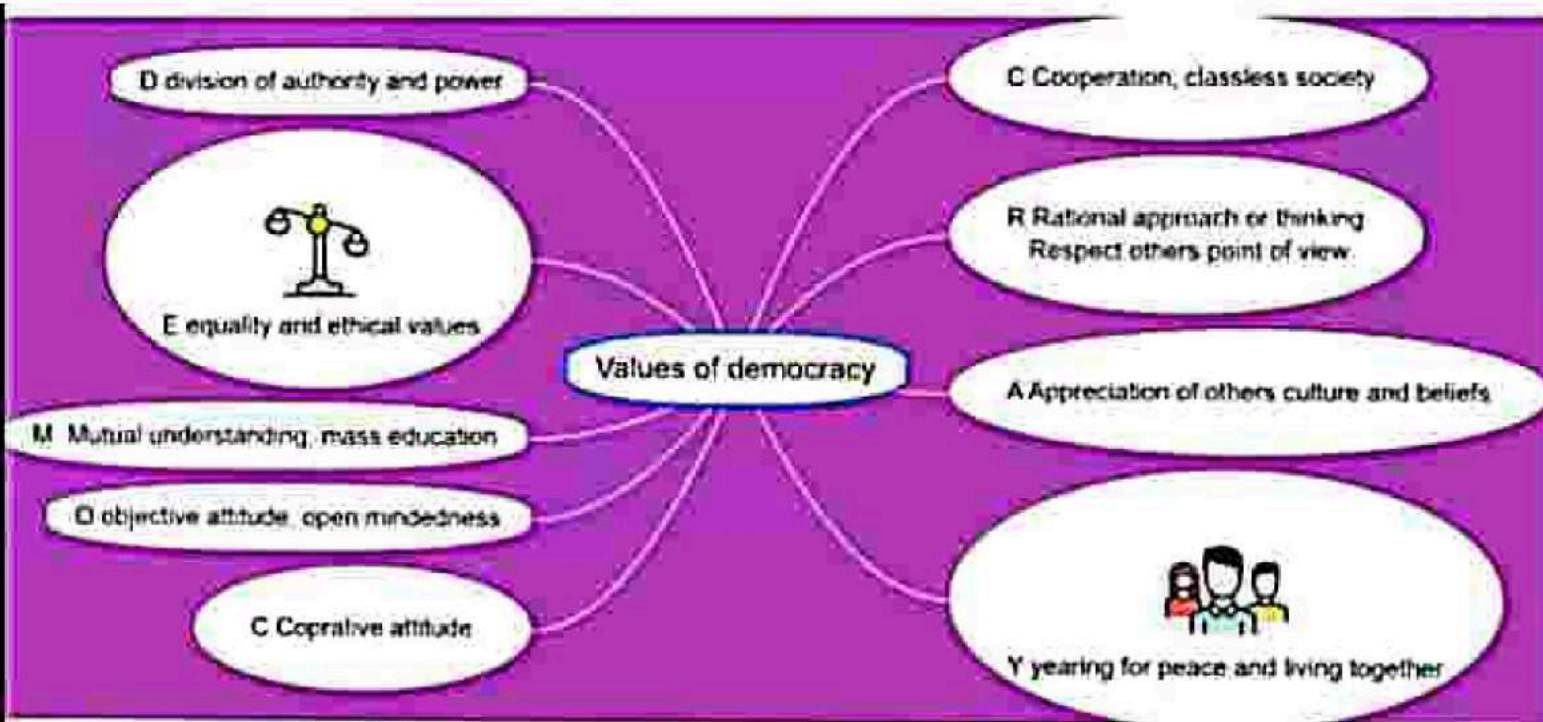

to contact to. The child himself was unwilling to talk about his family.

Results:

1. Aggressive behaviour
2. His behaviour affects his studies, social relations etc.
3. There is absence of guilt
4. Blames others to justify his behaviour
5. Less academic achievement
