ACTIVITY *REPORT*

ICT plays an important role in teaching learning process. Students use ICT in various situations. Institute ensures that students know how to use ICTs effectively and efficiently. For better understanding of theory courses; Desktops, laptops, smartphones, e-learning platforms, WhatsApp are used as ICT supports. Power point presentations, Quiz app, stop motion videos, open shot videos etc. are used for teaching practice in B.Ed and B.Ed-M.Ed integrated courses. For these courses, ICTs play an essential role in internship of students. Students use PPTs, smart classes, YouTube videos etc. as a support in teaching. Institute conduct various activities beyond four walls of classroom such as Morning assembly, celebration of days, organization of various events etc. where various ICTs resources were used like Google Meet, Projectors, Digital cameras, Smart phones etc.
