Report
on
"SPECIAL LECTURES BY EXPERTS"

To motivate the students and guide them about various aspects of education apart from regular curriculum, Institution organizes guest lectures by different key note speakers who are expert in their respective fields. Considering the importance of religion in today's era; an expert lecture was organized on the topic "**Science and Religion**" delivered by "**Dr. Inderjit Singh Gogoani**". Students got an insight about connection in between religion and science. As a result of this lecture, students came to know that how religion mentions about the topics that science has discovered after a lot of research and findings. During the "**National Road Safety Week**" institution organized a guest lecture on "Road Safety" was given by "**Dr. Surinderpal Singh**". To develop professionalism among students, a lecture on "**Professional Development**" was given by "**Dr. P.K. Sahoo**". It was organized with motive of developing professional qualities in students. "**Dr. Devinder Singh Johal**" was invited to give lecture on "**Motivation**" to raise the spirits of students and motivate them to face their upcoming lives. These lectures make students active listeners and promote mindful thinking among them that positively affects their cognitive engagement.

"BOOK READING"

The power of a book lives in its power to turn a solitary act into a shared vision. Institution is committed to inspire creativity and foster camaraderie among students and encourage them to think critically about what they read in an academic, non-academic and non-competitive environment. The faculty members as a team strive to organize various activities to instill love for reading and to generate excitement of books. These activities help readers to indulge in their hobby of reading by meeting **like-minded** individuals, by introducing them to new genres and by exposing them to other reading opportunities. It is truly said that books leave us with many experiences; we will several lives while reading.

"Books are a uniquely portable magic"

The purpose of the Book reading and discussion is to interpret and describe the significance of your findings in light of what was already known about the research problem being investigated, and to explain any new understanding or fresh insights about the problem after you've taken the findings into consideration. The discussion will always connect to the introduction by way of the research questions or hypotheses you posed and the literature you reviewed.

Book reading and reading strengthens the brain that enhances empathy and build vocabulary. Considering all these points; Institute organized a lecture on **"Reading and Reflection on Textbooks"** by Ms. Poonam Mahajan and Ms. Samita Sharma. Also **an extension lecture** on **"How to Develop Reading Habits"** by **Dr. Prabhjot Kaur** (District Librarian) was organized. The lectures delivered promoted development of good reading

habits, reflection on core elements of school textbooks with respect to gender, environment and health issues. Also, Institute provides opportunities to students to reflect and **review the policies** like NCF, NPE etc. Not only on book reading; Institute boost the **reading of narrative texts**, autobiographies, biographies and ethnographical texts. It **motivates the learners** to read regularly. Institute assures that students studying under its shelter get best of everything and it promises to provide every possible opportunity to their students.

"DISCUSSION ON RECENT POLICIES & REGULATIONS"

Policies provide the general guidance about a subject. They act as a base for the working of an organization. Various policies are foundation of B.Ed curriculum. Understanding the significance of the policies under the field of education; Institute organized a discussion session on "**Recent policies and regulations**" given for the development of education section throughout the country. Fulfilling its responsibilities of providing the best to its students, Institute ensures that their students know about both latest and previous strategies for educational development in Country.

For connecting students with latest policies, a **lecture** was delivered on "**Recent Policies of Education**" by "**Dr. Gurmanjit Kaur and Ms. Suruchi Arora**". Lecture gave an insight to students that connected with educational fields like NPE-1986, NCF-2005, NEP-2020, RTE-2009 etc. Lecture helped students to reflect various issues and problems in these policies. It helped them to understand the various stages of development of current education system. It was ensured that students were given full details about **National Education Policy 2020**, so that they know the environment in which they are going to provide their services. Also it was seen that the students know about major changes and differences in education policies.

The basic purpose behind this discussion and lecture was to promote empathy among students and get them acquainted with updated information.

Faculty Development program held on 16/1/2021

Topic: Action Research and Case Studies

Dr. Gurmanjit Kaur Bhullar, Dr. Parwinderjit Kaur and Mrs. Poonam Mahajan

Action Research and Case Studies is an important part of Teacher Education curriculum (B. Ed 2 years, B.Ed/ M.Ed Integrated 3 years and M. Ed 2years). So, to make all teachers aware about it and bringing uniformity in the pattern of all teacher education institutions, a Work shop on Action Research and Case Studies was held in GNDU, Department of Education, under PMMMNMT scheme, from 02 August to 08 August 2019. Three teachers of the faculty Dr. Gurmanjit Kaur Bhullar, Dr. Parwinderjit Kaur and Mrs. Poonam Mahajan attended the above said workshop. In addition to orientation of these two topics (Action Research and Case Studies), a well framed format was prepared and disseminated among the faculty of all colleges.

The worthy experts were invited by Dr. Deepa Sikand Kauts (Head Department of Education), who oriented the faculty from different colleges under this program and made it successful.

The teachers of this college organized a seminar on 16/1/2021 and tried to disseminate the knowledge gained from this workshop, under new initiative, named Faculty Development program, of Khalsa College of Education, Ranjit Avenue, Amritsar.

Day 2
Khalsa College of Education,
Ranjit Avenue, Amritsar

Date: 18.01.2021

Summary of the faculty development programme

Khalsa College of Education, Ranjit Avenue had organized faculty development programme on Instructional strategies for science teachers for the staff members on 18 Jan, 2021. In the programme, I discussed and demonstrate about different strategies and models for science teachers such as Concept attainment model, Constructivist models, Experiential learning models and Concept maps. After that we explored these strategies by taking hands on experience.

Critical Comments on the Content

The session was very interactive. Whole session was about in class activities and models in teaching and learning.

Comments on Presentation Techniques

Techniques were good. Learners were made to explore and improve themselves.

Usefulness / Relevance of the Lecture

- Learners were able to know about Cooperative learning, Constructivist approach, integrative teaching and reflective teaching. Select appropriate Cooperative Strategies (to achieve higher order objectives) for in-Class Activities.
- Use appropriate Assessment strategies for In-Class and Out of Class learning.
- Design and develop a Plan of Action for teaching.

At last the session was concluded by Asst. Professor Neelu Arora with a vote of thanks.

workshop on Instructional Strategies for Social Science Teachers

Summary of the Faculty development programme

Khalsa College of Education, Ranjit Avenue had organized the faculty development programme on "Instructional Strategies for Social Science Teachers" was held on 19.01.2021 by Ms. Lakshmi Chopra (Asst. Prof.) and Mr. Paramjeet Singh (Asst Prof) in Khalsa College of Education in Technology Lab with the staff members. In the program, orientation with regard to learning outcomes catering to the question what , why and how were dealt effectively with the help of PPT. In addition to this lesson plan based on instructional objectives in social science under the topic **1857 revolt, causes, events and results** were also presented and discussed through PPT. How Time Chart can be effectively used in social sciences for better retention of content in students mind was discussed with the help of an example (Time chart on Prime Ministers since independence till date) with regard to various prospective. Concept was explained with the help of PPT.

Critical Comments on the content

The session was very interactive. Session was based on the how learning outcomes should be framed and why it should be framed. Focus was framing on instructional objectives in lesson plan. Importance and employability of time chart in social sciences.

Comments on Presentation Technique

Appropriate technique was employed assisted with PPT

Usefulness and Relevance of the Workshop

Work shop with staff members like this is always very useful as whatsoever was learnt by limited staff members in workshops conducted by GNDU was shared among all staff members. This kind of practice should be continued. We pay our heartiest thanks to our principal madam who always provide platform for updating the knowledge of staff which ultimately prove beneficiary for students.

FACULTY DEVELOPMENT PROGRAMME

23.01.2021

NAVDEEP KOUR

(ASSISTANT PROFESSOR)

The faculty development programme on "Constructivist Approach and its Application to Instructional Design Strategies" was held on 23.01.2021 by Mrs. Navdeep Kour (Assistant Professor).

In the programme, different methods under Constructivist Approach were discussed. First of all, concept of Constructivism was explained through PPT slides. After that, case study method was discussed which was then followed by practice of case study technique by participants. The name of the case study was "A 13 year old boy having stuttering and bed-wetting problem". Hand outs depicting case study were given to the faculty members. All participants presented their views regarding usage of method in real class room teaching. Many appreciated it due to its experiential learning and pupil participation feature.

Second method which was discussed after case study was mind mapping. In the mind mapping technique, pictorial and visual presentation of different topics was explained. One of the topics was 'Environment' in which various aspects of surrounding were presented in an attractive manner. Another topic was 'solid and liquid waste management' where methods of waste management and their significance were explained through pictures.

At the end, lesson plan based upon Constructivist Approach was presented. All the faculty members were given appropriate instructions regarding the application of lesson plans in different subjects. All the faculty members very well participated in the programme.

REPORT

"WORKSHOP ON COMMUNICATION SKILLS"

Workshop on communication skills was held from **05.02.2020** to **07.02.2020**. The purpose was to give students one to one practical experience with various aspects of language usage.

Day 01

On 5th Feb. 2020 session was started by **Dr. Navkeerat Kaur** and students were told difference between **functional and ornamental vocabulary**. Furthermore, in the second session they were asked to find one word each that they thought can be used in daily life. Enthusiasm of the students was good which led to nearly more than 50 new vocabulary words. Later, the session was taken by **Ms. Rupneet Kaur**.

The third session focused on the writing skill. Initially, students were given few sentences for paraphrasing which initiated them to look for synonymous and the same familiarized them with different sentence structures. And also they were asked to list down connectors. After the completion and discussion on first two tasks, students were given briefing on how to write **short story, creative essay** and the same was given as home assignment.

Day 02

In continuation, the students came up with **interesting piece of writings** and were given the chance to read out which was followed by exchange of **ideas, strengths and weaknesses**. Many interesting facts and ideas were exchanged. Since, we kept the environment informal for the session two, encouraged free flow of communication. Furthermore, students listed all new words they learnt. This session exposed them to different styles of writings which could be easily incorporated in their daily lives.

Day 03

Considering the fact that we were having a workshop on communication skills, it becomes mandatory to acquaint the students with **phonetic transcription**. Students were informed essentials of **good pronunciation** along with division of sounds into consonants and vowel sounds. They participated enthusiastically leading to mentioning of common errors when it comes to spoken English.

The workshop was concluded after giving them a task to rectify their own pronouncing mistakes.

On
"DISCUSSIONS SHOWCASING THE LINKAGES OF VARIOUS
CONTEXTS OF EDUCATION- FROM LOCAL TO REGIONAL TO
NATIONAL TO GLOBAL"**

In Today's era, it is necessary for upcoming teachers to be **practical** and be **connected** to local/national environment. Keeping this in mind, the College organized various discussions that linked the content of education at local, regional, national and global levels. Showcasing the linkages of contexts of education from local to regional level, different workshops were organized. Some of which are; **Lecture on "Motivation"** by **Dr. Devinder Singh Johal**, **Seminar on " How to write Synopsis"** by **Dr. J.S. Dhillon**, **Workshop on Yoga and Meditation** by **Ms. Shruti Mahajan** (Director of Samtava Yoga Amritsar), **Workshop on Self Defence** by **Mr. Sohan Singh** and **Workshop on Developing Communication Skills** by **Dr. Navkeerat Kaur** and **Ms. Rupneet Kaur**.

At National Level, a National Webinar on "**Online Teaching Modes for Pedagogical Implications**" was organized whose speakers were **Dr. Deepa Kauts**, **Dr. P.K Sahoo**, **Dr. Namita Sahoo** and **Dr. A. Muthumanickam**. Also a webinar on "**Research in Social Sciences on Data Analysis**" was conducted by **Dr. Sanasanwal**.

At Global level, Two Days Workshop on "Fine Arts" was organized under the supervision of **Mr.Vitalii Vasilev** and **Ms. Shryansy**. These discussions, workshops and visits helped students gain a empathic attitude towards students with diverse needs. It also helped them to know about the various curriculum development institutions and bodies.
