Resolution No. 416:- To promote Academic Excellence and Research in the Colleges, to give Awards / Incentives to the Teachers whose contribution in the field of education and bringing in grants for research is commendable.

It is informed that the Society is always striving to promote Academic Excellence & Research in the institutions (colleges) under its jurisdiction. It is decided to give award/ incentive to the teachers whose contribution in the field of education and bringing in grants for research is commendable. A Committee is formed to give its proposals for "Best Researcher" and "Best Teacher" Award. The recommendations submitted by the said Committee are as under:

Proposal for "Best Researcher" and "Best Teacher" Award

Research and teaching are the two important pillars of any institution of higher education. Research is an important indicator which influences the ranking of a higher education institution by the NAAC or other regulatory bodies. The colleges do not attain the grade of their expectations because of deficiencies in research. Some people put forth a view that colleges are only teaching institutions but they forget that teaching and research are inseparable. Good research generates quality teaching. It is, therefore, imperative that there is an ideal integration of programmes of teaching and research in colleges.

There is an urgent need to maintain and enhance standards of teaching and research. In order to promote academic, research and quality education in various institutions under the Khalsa College Charitable Society (KCCS), Amritsar, it is proposed to institute the "Best Researcher Award" and the "Best Teacher Award" in each of the College/Institution. The Best Researcher Award shall be research-oriented and will depend largely on the score earned by the faculty member through various research activities/achievements while the Best Teacher Award shall be teaching oriented and more based on score earned through different teaching, learning, evaluation & other college related activities. The awards shall include cash awards and citation as given below:

Best Researcher Award: Rs. 1 Lac and a Citation

Best Teacher Award: Rs. 51,000/- and a Citation
