Annual e-governance Report 2019-20

Electronic **governance** or **e-governance** can be defined as the usage of Information and Communication Technology (ICT) by the management (Khalsa College Charitable Society, Amritsar) to provide and facilitate institution services, exchange of information, communication transactions and integration of various stand-alone systems and services. The e-governance facility started in college since 2014. The e-governance platform provides facility for maintaining records of administration, planning and development, finance and accounts, student admission and support and examination system.

Screenshots of facilities available on e-governance
