Meeting : Regarding
: use of Smart boards
: Preparation for teaching aids

Venue : Psychology lab

Agenda : Problems to be discussed
→ students wanted hands on experience for using smart board before internship.
→ students wanted to learn for making T-aids.

Proceedings : Suggestions were taken from committee members and student members regarding ^{workshop on} smart board usage and to make T-aids class.

Implementation : Principal maam assured the members regarding the problems that within a week college will arrange two days workshop on usage of smart board and workshop on (puppet making) which could be useful for students for making T-aids. i.e. workshops for both will be organised accordingly.
